Yellow & Green Rooms

This week we are going to review some of our favorite classic songs like "If You're Happy and You Know it", "Itsy Bitsy Spider" and "Old McDonald had a Farm". Each day we will look at a different song, and talk about the main theme of the song, such as spiders, farm animals and feelings. We will also complete art projects and other activities that go along with the theme of the day.

Be prepared to bring home lots of arts and crafts projects this week!

-Ms. Natalie and Ms. Jerin

Song of the Week:

The Winter Song
Sung to the tune “Farmer in the Dell”

Let’s sing a winter song,
Let’s sing a winter song,
The days are short, the nights are long.
Let’s sing a winter song.
The winter is cold,
The winter is cold,
It freezes noses, ears and toes.
Winter is cold.
Winter now is here,
Winter now is here,
Put on your coat, your hat your gloves,
Winter now is here.
