## Red Room

The theme in the Red Room this week is shapes! We will be learning about circles, squares, triangles, and diamonds. We will be decorating our classroom with shapes that we colored, making shape sun catchers, and singing a fun song called "The Shape Store". Our letter this week is "H", and our color is yellow. We will also be reading "Shapes" and using our shape box to find which hole each block fits in.

-Ms. Brynn and Ms. Lakara

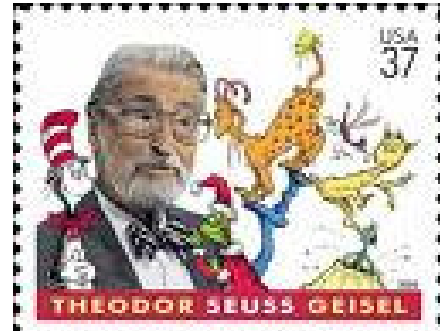

## Yellow Room & Green Room

In honor of Dr. Seuss' birthday, we will be reading his books this week in the Green and Yellow rooms. The children will enjoy thinking outside the box; such as seeing the books and the world through Dr. Seuss' eyes. We will also make plenty of artwork this week, and will turn our kitchen center into Dr. Seuss world.

Happy Birthday Dr. Seuss!

-Ms. Jerin and Ms. Natalie

## Blue Room

The Blue Room will be celebrating Dr. Seuss' birthday this week. We will be reading books by him like, "The Foot Book" and "The Nose Book." We will be making him birthday cards and Dr. Seuss hats. For lunch on Tuesday we will be having green eggs and ham. Our letter this week is "B" and our color is green. We would also like to wish Sanuka a happy birthday, he turns 2 Monday, March 1.

Have a great week!

-Ms. Christina

## Song of the Week:

The Diffendoofer Song

We love you, Diffendoofer School,  
We definitely do.  
There surely is no other school  
That's anything like you.  
You're gribbulous, you're grobbulous,  
Each day we love you more.  
You are the school we treasure  
And unceasingly adore.

Oh, finest school in Dinkerville—  
The only one as well—  
We love you, Diffendoofer School,  
Much more than we can tell.  
You are so diffendooferous  
It gives us joy to say,  
Three cheers for Diffendoofer School-  
HOORAY! HOORAY! HOORAY!

## Recipe of the Week

Pink Ink for the Yink

### What you need:

Strawberries  
Milk  
Pink food coloring  
A blender

### What you do:

The Yink in "One Fish, Two Fish" love to drink pink ink. Make your own version by combining a few strawberries (either fresh, or frozen and thawed) and some milk in a blender. Add a few drops of red food coloring if the "ink" isn't pink enough.
